

Don't Drop the MEATBALLS

For 2 to 4 players
Ages 5 and up

RULES

OBJECT:

Be the player with the fewest meatballs after all the meatballs have fallen off the table.

CONTENTS:

20 strands of spaghetti, 5 meatballs, table top, 2 table bottom legs.

SET UP:

Assemble the table by interlocking the two table bottom legs. Then press the assembled legs into place into the slots on the bottom of the table. The table, when turned rightside up, will have a slight tilt to it!

Pile all the strands of spaghetti on top of the table. Place the 5 meatballs on top. Starting with the youngest player and moving clockwise in turn, select a strand of spaghetti and carefully pull it out.

If any meatballs fall on your turn, keep them until the end of the game.

ENDING AND WINNING THE GAME:

When all the meatballs have fallen from the table, the game ends. The player who has collected the fewest—or no—meatballs wins. If a tie, tying players only play another game for the win.
